Dear Mr. Hedberg:

In regard to bonding for Georgia-Pacific Corporation's San Rafael/Eagle Canyon gypsum mine (M/015/050), this office no longer handles the bonding for the mining law administration program. You should contact Walter Phelps of the Utah State Office, Bureau of Land Management in Salt Lake City for status of any bonds currently held by the BLM for the aforementioned operation. He can be reached at 801-539-4124.

We have forwarded a copy of your letter and the form which was enclosed with the letter to Walter Phelps for further processing.

Sincerely,

*A. Laurell Hughes*
